

## Membership Agreement

Lost N Found Nursery © is a voluntary exchange network built around shared respect for land, plants, and the men and women who steward them.

Participation is open to anyone who wishes to grow, learn, trade, and contribute to ecological restoration.

By leaving my mark below, I acknowledge the following:

**1. Voluntary Participation:**

I join this network by my own choice. No one may force, coerce, or obligate me into an exchange of any kind.

**2. Nature of Exchange:**

Exchanges within this network are private, man to man/woman interactions.

Paper currency may be used, but no exchange is considered a commercial sale.

It is simply: "I offer this, you offer that, and we agree."

**3. Responsibility & Care:**

I agree to treat all land, plants, tools, and people involved with respect.

I will not intentionally spread invasive species or cause destruction to property or ecosystems; I understand that such repeated actions may result in my banishment from the network.

**4. Liability & Safety:**

I understand that growing, planting, receiving seeds, walking land, or visiting project sites may carry natural risks.

I agree that I am responsible for my own safety and choices.

I hold harmless Tyler Graff ©, Lost N Found Nursery ©, and any partners or stewards in the network.

**5. Dispute Resolution:**

If an issue arises between me and another member:

- We speak first, in good faith.
- If needed, we use private arbitration through JAMS or another mutually agreed private arbitrator.
- No one brings disputes into state or federal courts except to enforce an arbitration decision.

**6. Leaving the Network:**

I may leave at any time.

No debts, no penalties, no obligations beyond decisions I already agreed to.

**My Mark of Participation:**
